To whom it may concern,

I am a resident in the h Neighborhood in Northeast Columbia. I am writing this email to document my protest against the proposed sewer rate increase being requested by Palmetto Utilities, Inc. My rate was just increased in May of 2018 to the flat rate of \$52.10 and now a proposal to increase \$14.52 more to \$66.62 per month seems unwarranted.

I do not agree and would like to request a public hearing in the Northeast Columbia, SC area to understand why a rate increase is needed yet again.

Thanks,
 Kristin Lanham

Subject: [External] Letter of Protest against Palmetto Utilities 2019-2020

South Carolina Public Service Commission:

I am writing to protest the increase in my monthly Palmetto Utilities bill from \$52.10 to \$66.62. Ten years ago I was paying \$29.50

and next it went to \$33.00 and then to \$36.50. Two years ago it went to \$52.10. If it goes up to \$66.62, that is an increase of 13%

per year over a ten year period. Also \$66.62 would be about double what my City Of Columbia water bill is.

Thank you,

Michael Kroening

I live in the Winslow subdivision and want you to know that I'm against this rate increase. This is just too much.
